

An integrated camping experience for children with seizure disorders
Sponsored by Epilepsy Ontario

2009 REGISTRATION INFORMATION

To qualify to attend, children (6 to 17 years of age) (new campers under 14 years old) must want to attend and be able to function independently in the activities of daily living (toilet, washing, dressing, etc.). We have received notice that campers who arrive at camp requiring more than regular cabin supervision and who have not been indicated as requiring mentoring will be sent home at their parents' expense. No fee reimbursement will occur from Camp Couchiching or the Summerfest program in this situation.

Campers attending Summerfest 2009 will have their registration confirmed ONLY after acceptance into the program is granted by the Medical Review Committee of the camp. Initial acceptance will be granted by March 31, 2009.

Regular supervision comprises 2 staff/10 campers 6 -12 yrs of age and 1 staff/10 campers ages 13+. Once again, Epilepsy Ontario is sponsoring additional medical staff during the 12.5 day program.

The fee for 2009 is \$1,275.00 (including GST) for two weeks (no campers requiring mentoring). The one week option is available for those who require one-on-one mentoring. The fee for the one-week option is \$650.00 plus an additional \$295.00 for one-on-one mentoring.

Registration this year is restricted to 25 campers. Limit of 2 campers requiring mentoring per week. The two-week program runs:

Sunday, June 28 3:00 PM - Friday, July 10 10:00 AM

For those requiring one-on-one mentoring, the program runs:

1st week Sunday, June 28 3:00 PM - Saturday, July 4 10:00 AM
2nd week Saturday, July 4 3:00 PM - Friday, July 10 10:00 AM

Please return all completed forms with deposit and a copy of the camper's health card by May 5, 2009 to ensure registration.

Deposit and Final Payment Policy

Registration forms must be accompanied by either the full payment OR the total deposit with a postdated cheques for the fees. Deposit will be waived at this time per each session of camp (see Sponsorship Opportunities).

In the event of family circumstances changing, the deposit will be refunded up to April 15, 2009 less an administration charge of \$20.00 per week attending. No fees will be refunded if cancellation is made on or after April 15, 2009 or if the camper fails to attend camp for the entire period of registration for any reason whatsoever including dismissal by the Camp Director, designate or Camp Medical Team Head. Pending approval, a credit note for a portion of the fees may be sent if proper documentation (parent letter and/or doctor's note, depending on the situation) is sent to Epilepsy Ontario.

Family Discount

For 2 or more children from the same family, attending the same 2-week traditional camp period, deduct \$10.00 each from camp fees.

Completed Registration

Notification will be sent upon acceptance by the Medical Review Committee of Summerfest 2009. In the event of a camper being refused participation within the Summerfest program a full refund will be sent.

Sponsorship Opportunities

Financial support may be available for those requiring it. Please complete the Sponsorship Request Form (available from www.epilepsyontario.org) and return it to Epilepsy Ontario with your camp application for Sponsorship Committee review.

NOTE: Incomplete forms will delay registration and will be returned.
