Permission for Treatment

(Important!! This must be completed for attendance.)

Parent's/Guardian's Authorization

This health history is correct to the best of my knowledge, and my child has permission to engage in all camp activities except as noted by the physician and me.

I give permission to the physician selected by the Camp Director to order treatment for the health of my child. In the event I cannot be reached in an emergency, I give permission to the physician selected by the Camp Director to hospitalize, secure proper treatment for, and to order injection and/or anaesthesia and/or surgery for my child as named above.

I take financial responsibility for any accident or illness directly related to my child including emergency transportation.

All information provided in this Participant Information & Medical Health Profile form is true and complete, to the best of my knowledge.
